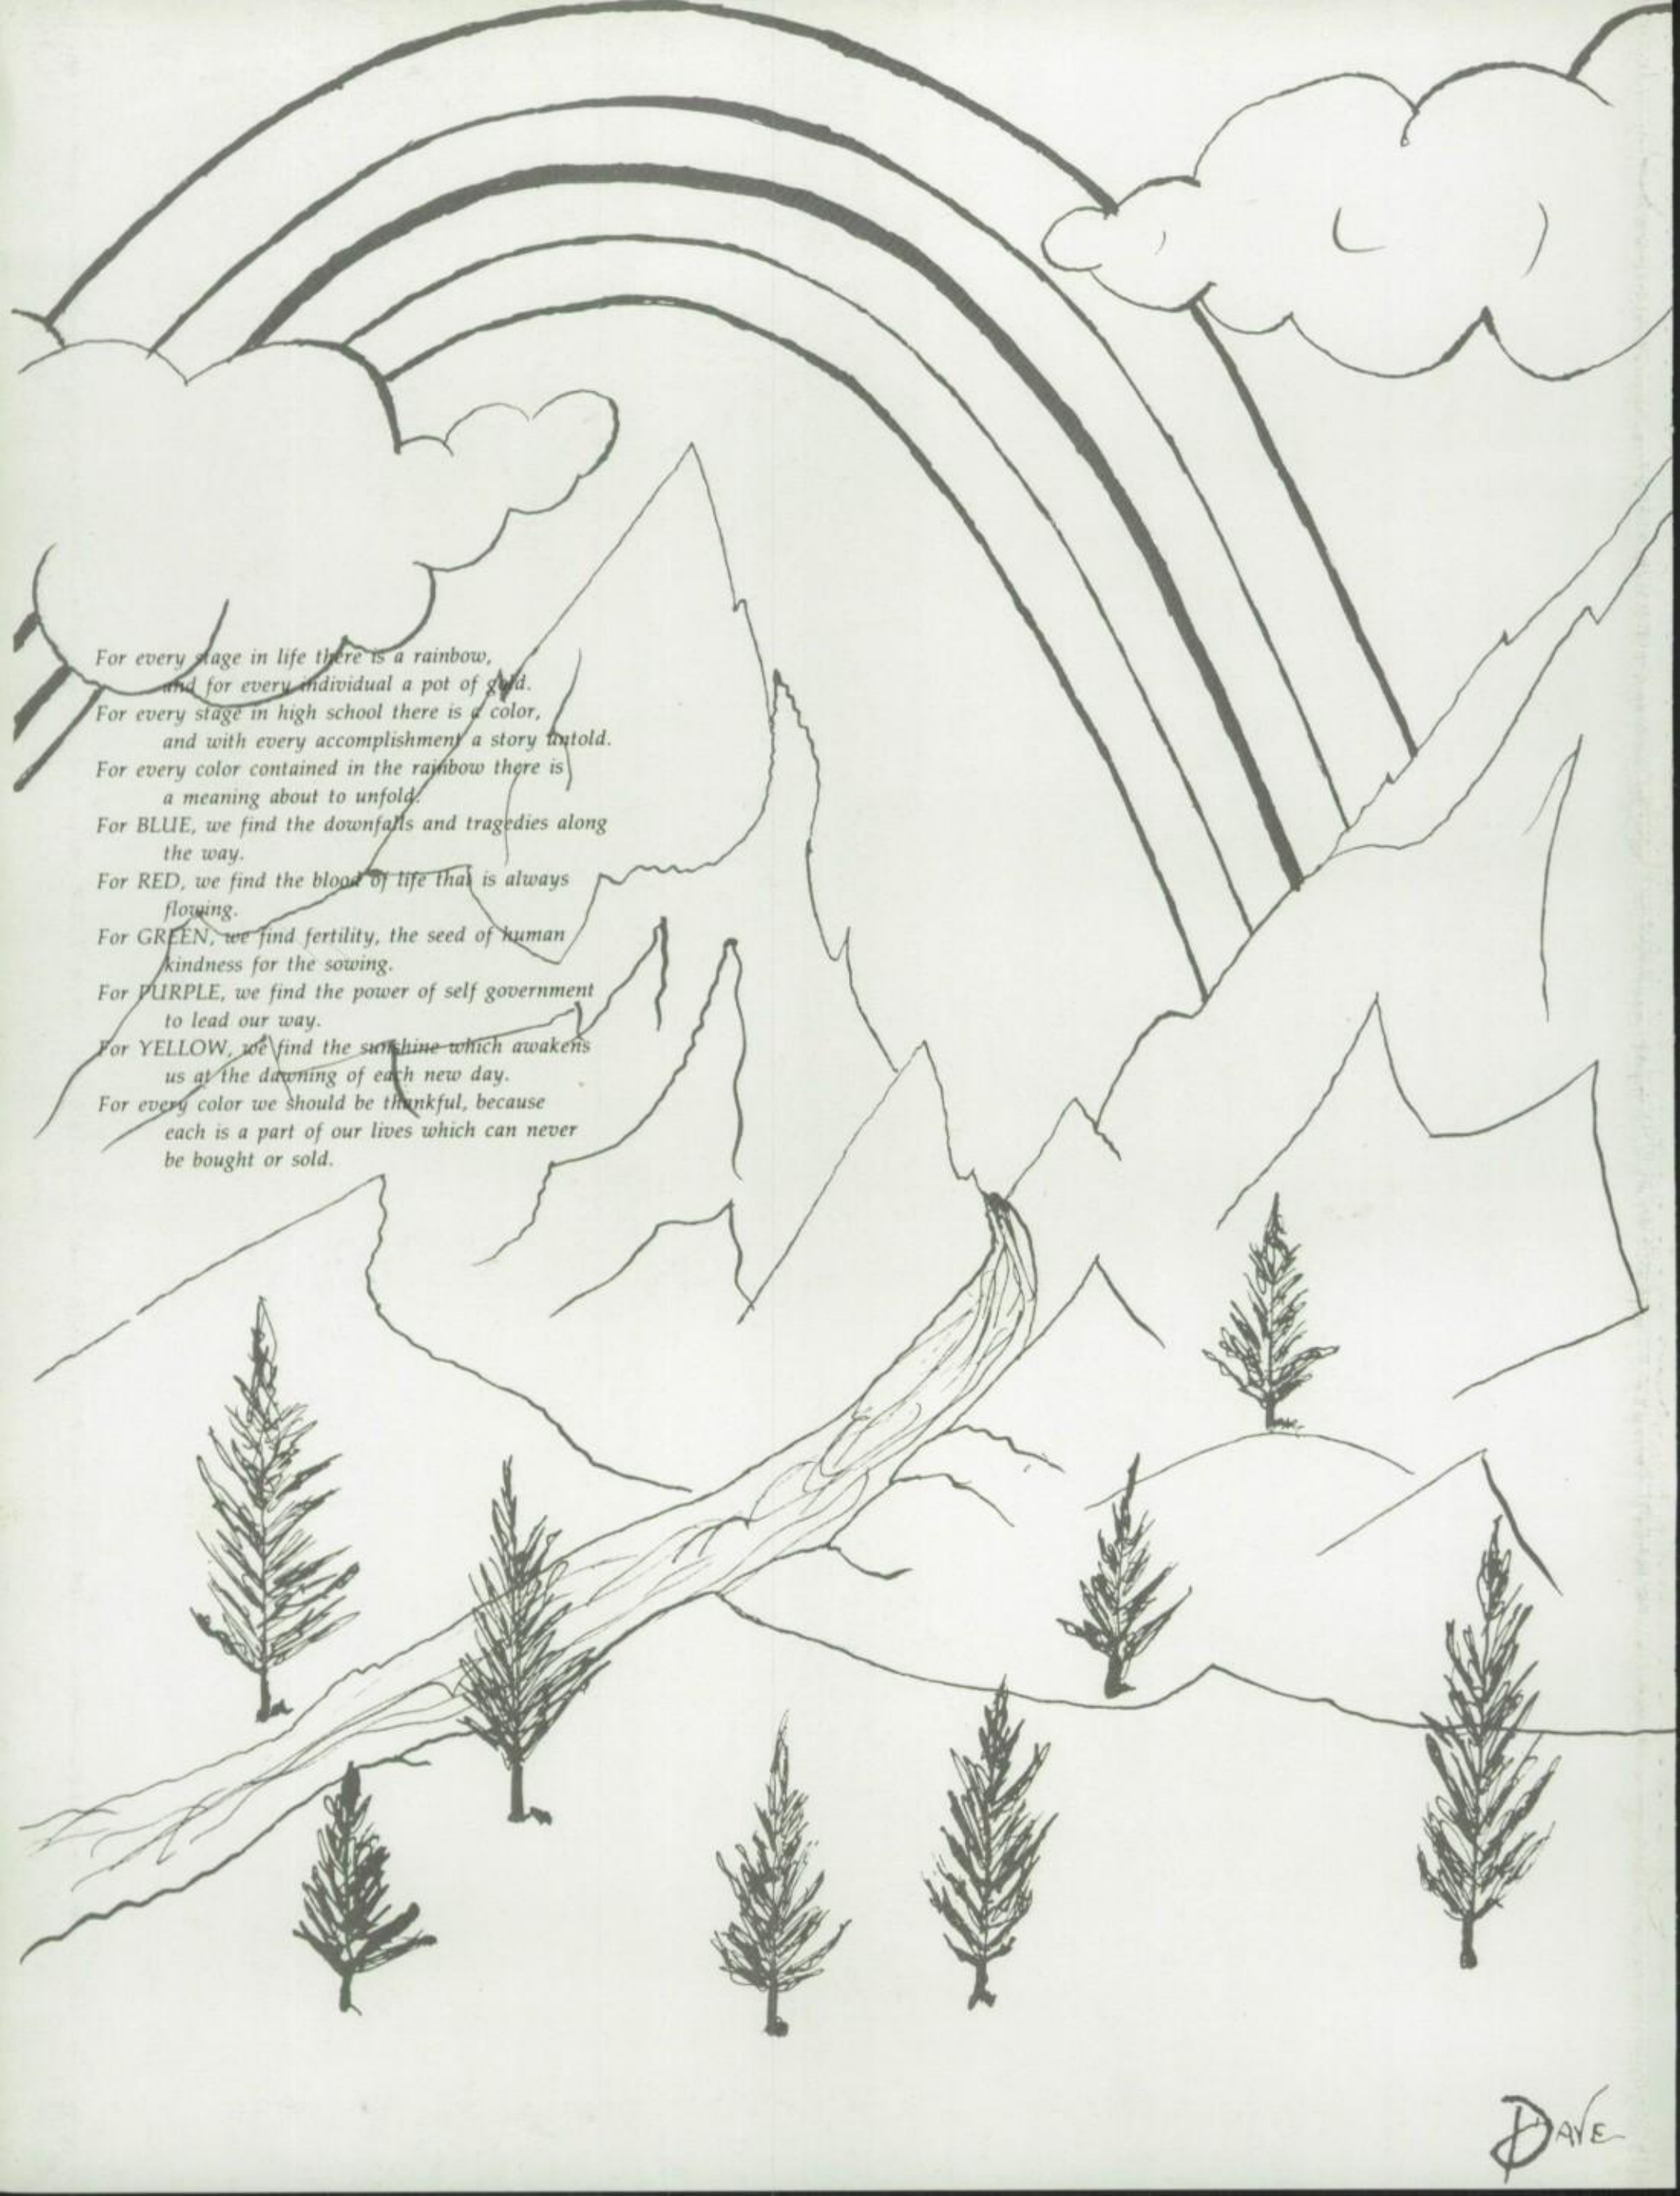
SUSSEX CENTRAL HIGH SCHOOL

# THE GOLDEN SHIELD 1981



*For every stage in life there is a rainbow,*
*and for every individual a pot of gold.*
*For every stage in high school there is a color,*
*and with every accomplishment a story untold.*
*For every color contained in the rainbow there is*
*a meaning about to unfold.*
*For BLUE, we find the downfalls and tragedies along*
*the way.*
*For RED, we find the blood of life that is always*
*flowing.*
*For GREEN, we find fertility, the seed of human*
*kindness for the sowing.*
*For PURPLE, we find the power of self government*
*to lead our way.*
*For YELLOW, we find the sunshine which awakens*
*us at the dawning of each new day.*
*For every color we should be thankful, because*
*each is a part of our lives which can never*
*be bought or sold.*

*On March 9 she will fly out of Bangkok for Tokyo, stopping only for one hour in Hong Kong. She will spend one day in Tokyo and then fly to San Francisco. She will take a flight from San Francisco to Los Angeles and then to Baltimore. From Baltimore she will fly to Salisbury, arriving March 11.*

# Dedication

# Marcella Cannon

Mrs. Marcella Cannon has been teaching English for 30 years. Through the years, the essence of Mrs. Cannon's rainbow has been to enable students to grasp the fundamentals of life as well as the fundamentals of English. The pot of gold she has offered to her students has been enriched with the ability to cope with the outside world and her own personal understanding. It is evident that Mrs. Cannon's pot of gold has been filled because many of her students are succeeding in this world of many colors.

As Mrs. Cannon leaves, Sussex Central can only hope to gain a replacement that will have a pot of gold much like hers to offer.
